If the limit insurance is not maintained at 100% of the insurable interest, the policy will not respond for a greater proportion of any "loss" covered than the limit of insurance bears to a total loss of 100% of the insurable interest. Applicant may request a waiver of this clause by providing a full budget and by providing details as to why the Applicant does not want to cover 100% of insurable values.
- 23.
